A photograph of a bar with a wooden wall covered in numerous military and aviation patches. A large, stylized 'BAR' sign is mounted on the wall. Above the bar, a display case contains a dark hat with 'FLYING TIGER' written on it. The wall is also decorated with a variety of patches, including those from the U.S. Air Force, Navy, and various military units. A large, glowing light fixture hangs from the ceiling. The bar area below the wall is visible, showing bottles and a counter.
